Dear Mr. Estes,

Basic Support (CFDA 84.126) for the statewide program for Vocational Rehabilitation and Supported Employment Services will no longer be reviewed by the New Mexico State Clearinghouse pursuant to Federal Executive Order 12372. Henceforth, when you prepare your application for federal financial assistance, check the box in 16b to designate that this program has not been selected by the state for review. There is no need to send your application to the State Clearinghouse for review. You should keep this letter and send a copy to the federal Department of Education with your grant application.

If you have any questions, please call me at 827-3872.

Sincerely,

  
Bob Peters  
New Mexico SPOC
